## CONFERENCE DESCRIPTION

Our **Challenges in Obstetrics and Gynecology** conference has been designed for physicians, certified nurse midwives, nurse practitioners, PAs, nurses, and other healthcare professionals who face ever-increasing challenges in the clinical diagnoses, treatment options, and new technologies involved in caring for the female patient. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

- Receive assured arrival to the ship if any delays or cancellations occur
- Receive 24-hour assistance with flights

Note: Infant fares (six months to two years old) cannot be booked online. You must call the Celebrity's ChoiceAir® Program Support Desk at (800) 533-7803 or the airline directly to add your infant to the booking.

**IF YOU PURCHASE AIR ARRANGEMENTS ON YOUR OWN:**

If you make your own air arrangements, you should allow a minimum of three hours from the time your flight arrives in Seattle to the time the ship departs (at 5:00pm). Going home, you should allow at least three hours between when the ship disembarks in Seattle and your plane departs (disembarkation starts at approximately 8:00am). The three hours allow you time for ship clearance, customs clearance (if applicable), and airline security. You can also request to be one of the first groups to depart the ship by going to the Guest Relations Desk as soon as possible once you board the ship and letting them know that due to a tight airline schedule, you need to be included in the first group off the ship.

Symposia Medicus has arranged for discount fares with Alaska, Delta, and United airlines for this conference. Reservations can be made either through your travel agency or through the airlines at the website or Convention Desk numbers listed below.
