CONFERENCE DESCRIPTION

Our **22nd Annual Summer Conference on Emergencies & Challenges in Primary Care** has been designed to provide physicians, nurse practitioners, PAs and nurses with up-to-date and evidence-based clinical data in Primary Care. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **22nd Annual Summer Conference on Emergencies & Challenges in Primary Care** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Napa, California.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Recognize the role of calcium, vitamin D, and non-pharmacologic approaches to treating osteoporosis
- Select the appropriate diagnostic tests to direct clinical care for different presentations of low back pain
- Identify digital health options and new delivery devices for treating type 2 diabetes
- Recognize the limitations of morphine and furosemide in the management of cardiogenic pulmonary edema
- Identify common dermatologic dilemmas and determine the best management choices
- Review the intersection of surgery, obstetrics, nursing care, pharmacology, and medical specialties in women's cancer care

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the pre/post case study survey, evaluations, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

CONFERENCE LOCATION

California's wine country offers scenic countryside, great wines, and superb restaurants. **With over 450 wineries offering a variety of wines for all tastes, it's no wonder that the Napa Valley is considered the heart of the American wine industry.** Located approximately 50 miles north of San Francisco, there is much more to Napa than just its grapes! **Enjoy hot-air ballooning, horseback riding, mountain biking, or challenging golf.** Find incredible discounts on your favorite brand-names at the Napa Premium Outlets or visit Old Town for more unique shopping. Visit the recently restored Napa Valley Opera House for headliners from Jazz to Country music. It might be wine that comes to mind when thinking of the Napa Valley, but with world-renowned restaurants, such as *The French Laundry, Bottega,* and *Morimoto*, it's the food that will keep you occupied while there.

With so much to do, you'll find that fine wine is only a part of this abundant valley. If the Napa Valley isn't enough to keep your interest, San Francisco, with Fisherman's Wharf, Chinatown, and famous cable cars, is just an hour away; or the kid inside you will love the excitement of Six Flags Amusement Park located just 20 minutes away, or Safari West wildlife preserve just 45 minutes away.

The **Napa Valley Marriott Hotel & Spa** combines modern convenience with traditional comfort. Exercise at the state-of-the-art fitness center, or enjoy "The Spa," one of the best full-service spas in the Napa Valley. If you are looking for a refreshing escape – just head over to the hotel's all new resort-style pool and courtyard. They'll provide the towels, sunscreen, lounge chairs and umbrellas, all you have to do is relax and enjoy every moment. Sip on specialty cocktails or your favorite Napa Valley wines complemented by creative small bites from VINEleven's innovative kitchen, the hotel's indoor/outdoor restaurant and bar. Start the day with morning yoga sessions on the pool deck, or just unwind with a cocktail on the pool patio under a gorgeous California sunset after a long day spent touring vineyards or teeing off on Napa's famous golf courses.

Whatever your pleasure, you'll be sure to find it in Napa, at our **22nd Annual Summer Conference on Emergencies & Challenges in Primary Care.**

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available 6-8 months prior to the conference.
