## CONFERENCE DESCRIPTION

Our 5<sup>th</sup> Annual Fall Conference on Current Concepts in Neonatal Care will present an array of topics pertinent to health care professionals who care for the tiniest and most fragile of infants. Interventions and technologies continue to change in this field and those involved need current, evidence-based, and practical information to provide optimal care. Updates in the management of Patent Ductus Arteriosus (PDA); nutrition and neurodevelopment; neonatal hypoglycemia; preterm birth; viral infections; as well as many other key issues in neonatal care will be discussed. The goal of this conference is to increase the knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our 5<sup>th</sup> Annual Fall Conference on Current Concepts in Neonatal Care while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Napa, California.

## CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Identify the vaginal microbiome state type associated with preterm birth
- Describe the effect of fetal and neonatal growth rates on neurodevelopment
- Use the AAP and PES guidelines for the management of neonatal hypoglycemia in the appropriate clinical situations
- Determine the risks and benefits of therapies for patent ductus arteriosus (PDA) treatment in neonates
- Describe the prevalence of gastroschisis patterns and several factors associated with its risk in the population
- Monitor infants for Zika-related sequelae

## ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the pre/post case study survey, evaluations, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

## ACCREDITATION

This educational activity was planned and produced in accordance with the ACCME and ANCC Essentials and Standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

*Symposia Medicus is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.*

## CONTINUING EDUCATION CREDIT

### Physicians

Symposia Medicus designates this live activity for a maximum of 18 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

### AAP

This continuing medical education activity has been reviewed by the American Academy of Pediatrics and is acceptable for a maximum of 18 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

### PAs

NCCPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of 18 hours of Category 1 credit for completing this program.

### Nurse Practitioners/Nurses

The ANCC contact hours awarded for completion of this conference are 18.

Provider is also approved by the California Board of Registered Nursing, Provider #CEP2335, for 21.6 contact hours.

### Pharmacology Credit for Prescriptive Authority

A maximum of 1.25 hours in pharmacology credit for prescriptive authority may be earned by attending this educational conference. Sessions awarding pharmacology credit for prescriptive authority are denoted with an Rx in the schedule.

## SMALLER GROUP BREAKOUT SESSIONS

Smaller group sessions will be held Friday morning. These breakout sessions are organized to provide **greater participant/faculty interaction**, and will give you an opportunity to participate in discussions on subjects relating to your particular area of interest. **Please indicate your breakout session topic choices on the conference registration form in this brochure.** Space is limited so please reserve early.

## EDUCATIONAL RESOURCES

Each registrant will have online access to session materials. **The session materials will be available for download approximately two weeks prior to the conference (you'll receive an email with instructions).** If you wish to receive a hard copy of the session materials, please check the box on the registration form in this brochure.

If you are unable to attend this conference, extra copies of the session materials (either paper or digital copy) will be available one week after the conference. The cost is \$60 for a hard copy and \$25 for the digital copy. To place your order, please email [publications@symposiamedicus.org](mailto:publications@symposiamedicus.org).

## CONFERENCE LOCATION

California's wine country offers scenic countryside, great wines, and superb restaurants. **With over 450 wineries offering a variety of wines for all tastes, it's no wonder that the Napa Valley is considered the heart of the American wine industry.** Located approximately 50 miles north of San Francisco, there is much more to Napa than just its grapes! **Enjoy hot-air ballooning, horseback riding, mountain biking, or challenging golf.** Find incredible discounts on your favorite brand-names at the Napa Premium Outlets or visit Old Town for more unique shopping. Visit the recently restored Napa Valley Opera House for headliners from Jazz to Country music. It might be wine that comes to mind when thinking of the Napa Valley, but with world-renowned restaurants, such as *The French Laundry*, *Bottega*, and *Morimoto*, it's the food that will keep you occupied while there.

With so much to do, you'll find that fine wine is only a part of this abundant valley. If the Napa Valley isn't enough to keep your interest, San Francisco, with Fisherman's Wharf, Chinatown, and famous cable cars, is just an hour away; or the kid inside you will love the excitement of Six Flags Amusement Park located just 20 minutes away, or Safari West wildlife preserve just 45 minutes away.

The **Napa Valley Marriott Hotel & Spa** combines modern convenience with traditional comfort. Exercise at the state-of-the-art fitness center, or enjoy "The Spa," one of the best full-service spas in the Napa Valley. If you are looking for a refreshing escape – just head over to the hotel's all new resort-style pool and courtyard. They'll provide the towels, sunscreen, lounge chairs and umbrellas, all you have to do is relax and enjoy every moment. Sip on specialty cocktails or your favorite Napa Valley wines complemented by creative small bites from VINEleven's innovative kitchen, the hotel's indoor/outdoor restaurant and bar. Start the day with morning yoga sessions on the pool deck, or just unwind with a cocktail on the pool patio under a gorgeous California sunset after a long day spent touring vineyards or teeing off on Napa's famous golf courses.

Whatever your pleasure, you'll be sure to find it in Napa, at our **5<sup>th</sup> Annual Fall Conference on Current Concepts in Neonatal Care.**

*For our complete calendar of conferences, please visit [www.symposiamedicus.org](http://www.symposiamedicus.org). Brochures are available 6-8 months prior to the conference.*
