AIR TRAVEL INFORMATION

You should plan to fly into the **Leonardo da Vinci (Fiumicino) International Airport**, as it is the closest airport to our ship's Port of Civitavecchia (approximately 40 miles, about 60 minutes from this airport to the port due to traffic in Rome). If you fly into G.B. Pastine Rome Ciampino Airport, plan about 1 ½ hours to the port as it is approximately 81 miles from the port.

You need to arrive at the ship by 2:00pm on September 11, 2017.

Failure to check-in by 2:00pm will constitute as a no-show and you will not be permitted to sail. Your reservation will also be cancelled and penalties will apply.

You may reserve your own air with Celebrity Cruises® Air/Sea Program (ChoiceAir®) at www.celebritycruises.com/choiceair or by calling (800) 533-7803 (service fees may apply). You will need to give them your reservation number.

If you make your own air arrangements and you do not want the cruise ground transfers, please follow the below recommendations:

- **Allow a minimum of three hours** from the time your flight arrives in Rome to the time you check-in at 2:00pm.
- **Allow a minimum of three hours** between when the ship disembarks in Rome and your plane departs (disembarkation starts at approximately 6:00am).

You can also request to be in one of the first groups to depart the ship by going to the Guest Relations Desk as soon as possible once you board the ship and letting them know that due to a tight airline schedule you need to be included in the first group off the ship.

PASSPORT REQUIREMENTS & IMMIGRATION

Passports are REQUIRED for every passenger, including children and infants. If you do not have a passport, please allow a minimum of 4-6 weeks to receive it after you complete and mail the application. **Your passport cannot expire before March 1, 2018.**

Guests who do not possess the proper documentation may be prevented from boarding their flight or ship, or from entering a country, and may be subject to fines.

Note: No refunds will be given to individuals who fail to bring proper documentation.
