CONFERENCE DESCRIPTION

Our **18th Annual Fall Conference on Emergency Medicine** is designed to provide emergency physicians, nurses, nurse practitioners, PAs, as well as out-of-hospital providers, with state-of-the-art information on a wide variety of topics in emergency medicine. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **18th Annual Fall Conference on Emergency Medicine** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of St. Thomas.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Recognize and manage pitfalls and complications associated with procedural sedation in the ED
- State the role of emergency care providers in providing primary asthma care
- Develop a diagnostic approach to undifferentiated abdominal pain
- Recognize and manage life-threatening dysrhythmias, including VT and bypass tract tachycardias
- Determine the ultrasound views that are useful to obtain in the acutely dyspneic patient

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the pre/post case study survey, evaluations, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

CONFERENCE LOCATION

The U.S. Virgin Islands are blessed with powder-soft sand beaches and sun-drenched weather. Because of its location, the island of St. Thomas often has brilliant sunsets.

St. Thomas is the most cosmopolitan of the Virgin Islands. The scenic and historic capital city, Charlotte Amalie, is the main shopping area and has been the center of international trade since the 1600's. Its deep-water harbor, once teeming with four-masted trading ships, now plays host to visiting cruise ships and a fleet of sail and power yachts. It's also the duty-free shopping mecca of the Caribbean.

Our conference resort, the **Frenchman's Reef & Morning Star Marriott Beach Resort**, is located three miles from downtown Charlotte Amalie. The resort has **two outdoor swimming pools, two Jacuzzis, a sauna, health club with full spa services, and a lighted tennis court.**

The resort is surrounded by beautiful Caribbean water on three sides. You can enjoy the outdoor activities of **snorkeling, sailing, jet skiing, and golfing**, or experience the fabulous historical landmarks and landscapes on St. Thomas like Fort Christian, Mountain Top, Drake's Seat, Magen's Bay, Paradise Point Aerial Tram, and Coral World Underwater Observatory, all just a short taxi ride away. **You can also catch a ferry to nearby St. John** to snorkel or dive at Trunk Bay or visit the St. John National Park and see how the sugar cane trade once shaped the Virgin Islands.

Whatever your pleasure, you'll be sure to find it in St. Thomas, at our **18th Annual Fall Conference on Emergency Medicine.**

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available 6-8 months prior to the conference.
