CONFERENCE DESCRIPTION

Our **22nd Annual Spring Conference on Pediatric Emergencies** focuses on many challenges facing Pediatric and Emergency physicians, nurse practitioners, PAs, nurses, and other healthcare professionals involved in the clinical care of children. The goal of this conference is to increase the knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **22nd Annual Spring Conference on Pediatric Emergencies** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of St. Maarten.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Recognize and cite the difference between normal and pathologic heart murmurs in children
- Discuss some orthopedic emergencies that can be managed without an emergency orthopedic consultation
- Apply specific management for poisonings including acetaminophen, lead, organophosphates, iron, tricyclics, hydrocarbons, and opiates
- Develop a comprehensive plan for the management of severe asthma
- List common and uncommon conditions increased in children with autism

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the pre/post case study survey, evaluations, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

CONFERENCE LOCATION

St. Maarten is one of the most magnificent Caribbean islands. It is surrounded by beautiful blue water and white sand beaches, making it the perfect tropical getaway, and with its blend of French, Dutch, and Caribbean influences, this paradise island holds endless possibilities for adventures on both land and sea.

The smallest island in the world ever to have been partitioned between two different nations, Saint-Martin/Saint Maarten has been shared by the French and the Dutch in a spirit of neighborly cooperation and mutual friendship for almost 350 years. St. Maarten's Dutch side is known for its festive nightlife, beaches, jewelry, exotic drinks, and plentiful casinos. The island's French side is known for its outdoor markets and rich French and Indian Caribbean cuisine. **Voted as one of the top 16 "Best Islands in the World" by USNEWS.COM in 2017**, St. Maarten is the island where you want to be.

The Westin Dawn Beach Resort & Spa is located on one of the most beautiful beaches on the **Dutch side of the island**. While relaxing in this paradise, you can shop to your heart's content in the variety of boutiques and well-known shops in **nearby Philipsburg**; explore the extraordinary local beaches on the island; pamper yourself in the Hibiscus Spa; roll the dice and try your luck at the casino; or, discover St. Maarten's best scuba diving spots.

Philipsburg, St. Maarten's capital, is approximately three miles from our conference resort and offers the combination of historical legacy with 21st century excitement. Visitors will find examples of the beautiful, traditional West Indian architecture, endless shops and restaurants, as well as casinos and local nightlife fun!

Whatever your pleasure, you'll be sure to find it on St. Maarten, at our **22nd Annual Spring Conference on Pediatric Emergencies**.

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available 6-8 months prior to the conference.
