## CONFERENCE DESCRIPTION

Integrative Medicine focuses on the mind and body as a whole and the importance of the relationship between practitioner and patient. Our **5<sup>th</sup> Annual Spring Conference on Integrative Medicine in Women's Health** is designed to take an in-depth look at how to achieve optimal health and healing for female patients through a variety of complementary alternative treatment modalities and provide mainstream medical and nursing professionals with evidence-based data. Emphasis will be placed on practical application of the topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **5<sup>th</sup> Annual Spring Conference on Integrative Medicine in Women's Health** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Ojai, California.

## CONFERENCE LOCATION

The city of Ojai is situated in a small east-west valley, north of Ventura and east of Santa Barbara, approximately 12 miles inland from the Pacific Ocean coast. Since Ojai is lined up with an east-west mountain range, it is one of few towns in the world to have a “Pink Moment” occur as the sun is setting. The fading sunlight creates a brilliant shade of pink for several minutes on the Topatopa Bluffs, over 6,000 feet above sea level at the east end of the Ojai Valley. It is a rare and magical moment that thousands of visitors come to Ojai annually to see.

Nestled in the hills of Southern California, the *Ojai Valley Inn & Spa* is a premier luxury resort that features an award winning on-site spa and golf course. First awarded the coveted Five Diamond Award for excellence in the hospitality industry in 2006, the resort continues to achieve this distinguished accolade annually. Throughout the years, the Ojai Valley Inn & Spa has retained its sense of place, staying true to the people who first built it, while hosting many celebrities, musicians, dignitaries, and politicians. The resort is perfect for girlfriend getaways, golf trips, and rejuvenating retreats. Amid an unsurpassed natural landscape with diverse appeal to families, couples, and multi-generational guests, the Inn remains one of the finest resorts in North America.

At the resort, embrace the creative side of life at the Artist Cottage & Apothecary, discover your inner chi in the Mind & Body Fitness Studio, or explore the best of Ojai via bike or on foot. Or, there is always the option of just doing nothing at all! With four delightful pool experiences, from the family-friendly Pixie Pool full of excitement and pool games, to the exclusive adult’s only Indigo Pool & Bar that offers a luxurious environment of pure relaxation, there is plenty of room to simply unwind.

Whatever your pleasure, you’ll be sure to find it in Ojai, California, at our **5<sup>th</sup> Annual Spring Conference on Integrative Medicine in Women’s Health**.
