"This is one of the best conferences I have ever attended. This is certainly a topic many providers do not have much training or education in." – E. Vita, MD

"Symposia Medicus conferences consistently balance excellent educational content with time for relaxation and reenergizing. The expert speakers are interesting and approachable." – J. Meyers, CNM

"Speakers were very knowledgeable. The topics covered were very interesting and easy to follow. I appreciate the amount of lectures which leaves the afternoon for outside activities. I will definitely recommend Symposia Medicus to colleagues." – E. Thompson, DO

CONFERENCE DESCRIPTION

Sexual health is a dynamic and multifaceted phenomenon that is closely linked to the overall quality of life. A critical issue cutting across many fields of health and well-being, sexual health can affect many aspects including intimacy, reproductive health, disease prevention, clinical care, policy, advocacy, health equality, and the social determinants of health. Determining the etiology of sexual complaints in all persons is often a complex process; the healthcare provider must be a cautious detective, exploring medical, psychological, and environmental issues.

At our **3rd Annual Conference on Challenges in Sexual Healthcare**, primary care physicians, nurse midwives, nurse practitioners, PAs, and nurses will share information, innovations, and advances in sexual health and develop conversations about supporting healthy sexuality. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **3rd Annual Conference on Challenges in Sexual Healthcare** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Napa, California.

CONFERENCE OBJECTIVES

- Incorporate best practice guidelines and evidence-based resources that will optimize the delivery of quality, culturally-competent care for women and girls affected by, and at risk for, female genital mutilation/cutting

Visit the recently restored Napa Valley Opera House for headliners from Jazz to Country music. It might be wine that comes to mind when thinking of the Napa Valley, but with world-renowned restaurants, such as *The French Laundry*, *Bottega*, and *Morimoto*, it's the food that will keep you occupied while there.

With so much to do, you'll find that fine wine is only a part of this abundant valley. If the Napa Valley isn't enough to keep your interest, San Francisco, with Fisherman's Wharf, Chinatown, and famous cable cars, is just an hour away; or the kid inside you will love the excitement of Six Flags Discovery Kingdom located just 20 minutes away, or Safari West wildlife preserve just 45 minutes away.

The **Napa Valley Marriott Hotel & Spa** combines modern convenience with traditional comfort. Exercise at the state-of-the-art fitness center, or enjoy "The Spa," one of the best full-service spas in the Napa Valley. If you are looking for a refreshing escape – just head over to the hotel's all new resort-style pool and courtyard. They'll provide the towels, sunscreen, lounge chairs and umbrellas – all you have to do is relax and enjoy every moment. Sip on specialty cocktails or your favorite Napa Valley wines complemented by creative small bites from VINEleven's innovative kitchen, the hotel's indoor/outdoor restaurant and bar. Start the day with morning yoga sessions on the pool deck, or just unwind with a cocktail on the pool patio under a gorgeous California sunset after a long day spent touring vineyards or teeing off on Napa's famous golf courses.

Whatever your pleasure, you'll be sure to find it in Napa, at our **3rd Annual Conference on Challenges in Sexual Healthcare.**
