CONFERENCE DESCRIPTION

Our **25th Annual Summer Conference on Obstetrics & Gynecology** has been designed for physicians, certified nurse midwives, nurse practitioners, PAs, nurses, and other healthcare professionals who face ever-increasing challenges in the clinical diagnoses, treatment options, and new technologies involved in caring for the female patient. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **25th Annual Summer Conference on Obstetrics & Gynecology** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Naples, Florida.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- State the current American Cancer Society guidelines for breast cancer screening
- Identify the pros and cons of various contraceptive methods as they pertain to female sexual health
- Assess risks and management strategies associated with the short cervix
- Manage women with thyroid dilemmas
- Summarize potential management options for Opioid Use Disorder (OUD) in pregnancy

CONFERENCE LOCATION

Naples is graced with miles of white-sand beaches, beautiful weather, sumptuous restaurants, fine shopping, and entertainment. The Naples Pier, first erected in 1888, is the city's symbol and a popular fishing and dolphin-spotting destination.

The Naples Beach Hotel & Golf Club promises you an experience you'll always remember. Try kayaking or paddleboarding, or just take a walk along the white-sand beach and enjoy a short siesta in a cozy beach chair. Take a dip at **Poolside, a multi-pool complex, just steps from the sand**. The large recreational pool is perfect for play and exercise, while the smaller, more secluded, adult-only pool is just right for relaxing. The complex also includes two whirlpools and Poolside's bar and grill, which serves cool drinks, spirits, and light fare overlooking the pools and the beach.

Enjoy the sun by getting in **a game at the tennis courts or golf course**. With more than 80 championship golf courses in the Naples area, Naples is the self-titled "Golf Capital of the World", claiming to have more holes per capita than any other community.

Just a short drive away is **Everglades National Park, the largest subtropical wilderness in the United States** – a place where you can tour the park with a ranger, photograph birds, take an afternoon hike, spot alligators basking in the sun, or ride an airboat through the marshes.

Whatever your pleasure, you'll be sure to find it in Naples, at our **25th Annual Summer Conference on Obstetrics & Gynecology**.

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available 6-8 months prior to the conference.
