CONFERENCE DESCRIPTION

Our **6th Annual Fall Conference on Current Concepts in Neonatal Care** will present an array of topics pertinent to health care professionals who care for the tiniest and most fragile of infants. Interventions and technologies continue to change in this field and those involved need current, evidence-based, and practical information to provide optimal care. Updates in nutrition; Cytomegalovirus (CMV) transmission; delayed cord clamping; pulmonary hypertension; neonatal jaundice; as well as many other key issues in neonatal care will be discussed. The goal of this conference is to increase the knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **6th Annual Fall Conference on Current Concepts in Neonatal Care** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Newport Beach, California.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Explain the common genetic causes of severe hemolytic jaundice
- Describe the three critical changes from fetal to postnatal circulation
- Examine transfusion support and blood product utilization in neonatal extracorporeal membrane oxygenation (ECMO)
- Identify the benefits of delayed cord clamping and cord milking
- Describe the epidemiology and trends of necrotizing enterocolitis (NEC) incidence by gestational age

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the case study test, evaluations, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the **Accreditation Council for Continuing Medical Education (ACCME)** to provide continuing medical education for physicians.

Symposia Medicus is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

CONTINUING EDUCATION CREDIT

CONFERENCE LOCATION

Known for its picturesque views of the Pacific Ocean and one of the world's largest small yacht harbors, Newport Beach is a chic seaside community located in Southern California. Enjoy eight miles of ocean beach that offers **outstanding fishing, swimming, surfing, and aquatic sports activities**—there is plenty of time for fun in the sun!

Travel down the boardwalk on a beach cruiser, enjoy the many affordable entertainments of the Fun Zone at Balboa Village, or spend the day at Fashion Island, where you'll discover some of the finest shopping in the country. The Happiest Place on Earth (Disneyland Park) is just 14 miles away!

Sprawling across 15 waterfront acres, **Balboa Bay Resort is one of the top hotels in Newport Beach.** Conveniently situated just off the Pacific Coast Highway, this Mediterranean-style hotel is complete with a design of relaxed elegance and timelessness, using the colors of the sea, sand, and sky, along with natural material and modern furnishings that reflect the area's casual luxury.

Visitors and locals alike can savor culinary delights at Balboa Bay Resort's signature restaurant, Waterline, complete with a **captivating water to table experience, fresh seafood, and a unique chef-driven concept.** Or, enjoy our rustic waterfront gastropub, A&O Kitchen+Bar, where guests can enjoy shared plates, hearty dishes, creative cocktails, and craft beers.

Whatever your pleasure, you'll be sure to find it in Newport Beach, at our **6th Annual Fall Conference on Current Concepts in Neonatal Care.**
