"The topics presented were very useful and interesting to me. The speakers were fantastic and the conference's atmosphere was laid back and conducive to learning. It was also lovely to be at a beach destination for a conference. I will definitely be on the lookout for future Symposia Medicus conferences!" – M. Latrous, MD

*"I always enjoy the conferences put on by Symposia Medicus. Great topics with great information that I can use in my daily practice."
– R. Gamboe, PA-C*

"I always love Symposia Medicus conferences—they are well done, balancing learning and fun." – M. Springer, MD

CONFERENCE DESCRIPTION

Our **34th Annual Fall Conference on Pediatric Emergencies** focuses on many challenges facing Pediatric and Emergency physicians, nurse practitioners, PAs, nurses, and other healthcare professionals involved in the clinical care of children. The goal of this conference is to increase the knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **34th Annual Fall Conference on Pediatric Emergencies** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Oahu, Hawaii.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Evaluate the published indications for abdominal and pelvic CT scanning in traumatized children
- Provide evidence-based management of pediatric pneumonia
- Recognize fracture patterns and determine the splint type for each fracture
- Identify associated injuries in patients with eye trauma
- Utilize an evidence based approach to confirm or bust various medical myths

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the case study test, evaluations, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

CONFERENCE LOCATION

A rare gem of a destination, **Turtle Bay Resort** is truly an iconic Hawaiian landmark. The only resort of its kind anywhere on the north shore of Oahu, this idyllic location is the perfect base to get fully immersed in the authentic island experience. Situated on a majestic outcropping with **panoramic views of the breathtaking shoreline**, this resort is a true standout among island destinations anywhere in the world.

The north shore of Oahu is considered the unequivocal surf capital of the world and Turtle Bay Resort is conveniently located near **legendary surf breaks like Pipeline, Sunset Beach**, and the big wave mecca that is **Waimea Bay**. A fifteen-minute drive north takes you to historic Haleiwa, which provides **eclectic shopping and dining**.

Paddle out at sunrise for a dawn patrol surf session. Snap a photo of a honu (green sea turtle) while **snorkeling**. Launch off “Jump Rock” at Waimea Bay. Discover deserted **white sand beaches** trekking up to Ka’ena Point. The list of what to see and do during your stay at this Oahu resort never ceases to amaze.

Whatever your pleasure, you’ll be sure to find it on the north shore of Oahu, at our **34th Annual Fall Conference on Pediatric Emergencies**.

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available 6-8 months prior to the conference.
