CONFERENCE DESCRIPTION

Our 24th Annual Conference on High Risk & Critical Care Obstetrics is designed for physicians, certified nurse midwives, nurse practitioners, PAs, nurses, and other healthcare professionals who face challenges in the care of the high risk pregnant patient. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our 24th Annual Conference on High Risk & Critical Care Obstetrics while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Naples, Florida.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Counsel patients regarding risk/benefits of pharmacologic treatment for depression in the antepartum and postpartum periods
- Apply a systematic approach to the interpretation of EFM strips in critically ill women
- Manage fetal evaluation in the setting of maternal trauma
- Recognize and treat a hypertensive crisis in pregnancy
- Discuss CMV prevalence, testing, and management in pregnancy
- Effectively manage sepsis and septic shock

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the case studies test, evaluations, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This educational activity was planned and produced in accordance with the ACCME and ANCC Essentials and Standards relating to continuing medical and nursing education.

CONFERENCE LOCATION

Naples is graced with miles of white-sand beaches, beautiful weather, sumptuous restaurants, fine shopping, and entertainment. The Naples Pier, first erected in 1888, is the city's symbol and a popular fishing and dolphin-spotting destination.

The Naples Beach Hotel & Golf Club promises you an experience you'll always remember. Try kayaking or paddle boarding, or just take a walk along the white-sand beach and enjoy a short siesta in a cozy beach chair. Take a dip at **Poolside, a multi-pool complex, just steps from the sand**. The large recreational pool is perfect for play and exercise, while the smaller, more secluded, adult-only pool is just right for relaxing. The complex also includes two whirlpools and Poolside's bar and grill, which serves cool drinks, spirits, and light fare overlooking the pools and the beach.

Enjoy the sun by getting in a **game at the tennis courts or golf course**. With more than 80 championship golf courses in the Naples area, Naples is the self-titled "Golf Capital of the World", claiming to have more holes per capita than any other community.

Just a short drive away is **Everglades National Park**, the largest subtropical wilderness in the United States – a place where you can tour the park with a ranger, photograph birds, take an afternoon hike, spot alligators basking in the sun, or ride an airboat through the marshes.

Whatever your pleasure, you'll be sure to find it in Naples, at our **24th Annual Conference on High Risk & Critical Care Obstetrics**.

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available 6-8 months prior to the conference.
