CONFERENCE DESCRIPTION

Our **26th Annual Fall Conference on Challenges in Taking Care of the High Risk Pregnancy** is designed for physicians, certified nurse midwives, nurse practitioners, PAs, nurses, and other healthcare professionals who face challenges in the care of the high risk pregnant patient. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **26th Annual Fall Conference on Challenges in Taking Care of the High Risk Pregnancy** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Hilton Head Island.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Identify common causes of cardiopulmonary arrest in the obstetrical patient
- Recognize the clinical manifestations of intrahepatic cholestasis of pregnancy
- Define and classify obesity and discuss recommendations for maternal weight gain
- Illustrate normal physiologic and anatomic changes pertinent to the pregnant trauma victim
- Identify the complex issues associated with cancer in pregnancy
- Develop a plan for the pregnant patient with substance use disorder during the antepartum, intrapartum, and postpartum periods

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the case studies test, surveys, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the **Accreditation Council for Continuing Medical Education (ACCME)** to provide continuing medical education for physicians.

Symposia Medicus is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

CONTINUING EDUCATION CREDIT
