CONFERENCE DESCRIPTION

Our **31st Annual Spring Conference on Pediatrics** is designed to provide physicians, nurse practitioners, PAs, nurses, and other healthcare professionals involved in the care of children with up-to-date and evidence-based clinical data in pediatrics. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

Smaller group sessions will be held Friday afternoon. These breakout sessions are organized to provide **greater participant/faculty interaction**, and will give you an opportunity to participate in discussions on subjects relating to your particular area of interest. **Please indicate your breakout session topic choices on the conference registration form in this brochure.** Space is limited so please reserve early.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy **31st Annual Spring Conference on Pediatrics** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Maui.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- List the differential diagnosis for common adolescent overuse injuries of the spine, upper, and lower extremities
- Order and interpret appropriate food allergy tests
- Diagnose and manage common forms of congenital heart disease
- List the top three newly identified infections likely to show up in the United States in the next year
- Diagnose toxin-mediated Staphylococcal infections (bullous impetigo, staphylococcal scalded skin syndrome)

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the case studies test, surveys, and attendance verification form. - In the unlikely event of conference cancellation by Symposia Medicus, full tuition and, if reservation was made with Symposia Medicus, hotel deposit refunds will be made. Symposia Medicus will not be responsible for refunding travel or any other expenses.

CONFERENCE LOCATION

Aloha! The magical island of Maui, land of legend and incredible beauty, is the setting for our **31st Annual Spring Conference on Pediatrics**. Famous for its breathtaking beauty and spectacular white sand beaches, Maui is also dramatically covered with mountain slopes and lush valleys.

Situated on 40 spectacular oceanfront acres along the famed Ka'anapali Beach, the **Hyatt Regency Maui Resort & Spa** offers unlimited activities and amenities in a setting of tropical luxury. The resort is just four miles north of **historic Lahaina town and a short walk from Whaler's Village for shopping, dining, art, boating excursions and nightlife**. With unparalleled panoramic views of the magnificent Pacific Ocean, the resort puts you close enough to hear the waves from your guestroom while enjoying the gentle breezes of paradise.

Enjoy additional amenities at the new Hyatt Residence Club, located in the north end of the resort. **Swim and relax in four new pool areas, including a zero-entry lagoon and an infinity relaxation pool with ocean views**. Cool off with a refreshing drink at Pau Huaka'i, a beachfront Tiki Bar, and pick up items to go, including delicious gourmet foods and wine at the Lahaina Provision Company market and deli. For shopping at the hotel, Macy's Hyatt Regency offers a first class selection of top fashion brands including Ralph Lauren, Calvin Klein, Clinique, Estée Lauder, and Levis.

Spend the day pampering yourself at the Marilyn Monroe™ Spa, play a round of championship golf at the Royal Ka'anapali Course and Ka'anapali Kai Course, or hit the court for a tennis match. For authentic Island adventure, go snorkeling at Black Rock, enjoy an authentic Polynesian Lu'au, or ride the Pacific waves at the white sand beach.

Whatever your pleasure, you'll be sure to find it on Maui, at our **31st Annual Spring Conference on Pediatrics**.

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available approximately 8 months prior to each conference.
