GROUND TRANSPORTATION OPTIONS

Option #1 – Taxis

Taxis are less expensive than group ground transportation and are available at the airport. The Airport Ground Transport attendant dispatches taxis on a first-come/first-served basis. Upon dispatch you will be provided with a dispatch ticket which identifies the cab driver, the destination, the fare, and the time of dispatch. Unless you instruct the driver to divert in any way, or to wait, you are expected to pay the fare indicated.

The approximate one-way fare to the Westin resort is \$25 (USD) for up to three passengers with two pieces of luggage each. Additional charges may apply for additional passengers and larger luggage pieces. Note, between the hours of midnight to 6:00am, rates increase by 25%.

Option #2 – Rental Car

While not available on the airport premises, most major rental companies operate just a short walk across the street from the airport terminal building. Directional signs will guide you to their locations.

For a complete list of car rental companies located near the airport, please visit <https://goo.gl/hVfvnX>.

Please note that driving is on the left-hand side of the road.
