## CONFERENCE DESCRIPTION

Our conference on **21<sup>st</sup> Annual Fall Conference on Emergency Medicine & Acute Care** is designed to provide emergency physicians, nurses, nurse practitioners, PAs, as well as out-of-hospital providers with state-of-the-art information on a wide variety of topics in emergency medicine and acute care. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

Smaller group sessions will be held Friday afternoon. These breakout sessions are organized to provide **greater participant/faculty interaction**, and will give you an opportunity to participate in discussions on subjects relating to your particular area of interest. **Please indicate your breakout session topic choices on the conference registration form in this brochure.** Space is limited so please reserve early.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our conference on **21<sup>st</sup> Annual Fall Conference on Emergency Medicine & Acute Care** while sharing ideas and experiences with colleagues from across the country in the beautiful and exciting setting of Costa Rica.

## CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Recognize signs and symptoms in patients who present with challenging ingestions in the acute setting
- Describe the radiographic findings seen with supracondylar fractures
- Develop a diagnostic approach to undifferentiated abdominal pain
- Identify new and subtle findings of acute coronary syndrome
- Discuss methods to safely and rapidly improve throughput

## ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the case studies test, surveys, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

## ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the **Accreditation Council for Continuing Medical Education (ACCME)** to provide continuing medical education for physicians.

  - In the unlikely event of conference cancellation by Symposia Medicus, full tuition and, if reservation was made with Symposia Medicus, hotel deposit refunds will be made. Symposia Medicus will not be responsible for refunding travel or any other expenses.

## CONFERENCE LOCATION

Beautiful Costa Rica (bordered by the Caribbean to the east, the Pacific Ocean to the west, and Panama to the south) is a democratic country where **peace is the most precious possession of its people**. Costa Rica is known for its white sand beaches, beautiful sunsets, mountainous plains, numerous national parks, tropical forests, and wildlife reserves, all protected through renowned conservation efforts. It is a country with modern goods and services, combined with exotic charm.

Our conference resort, the **JW Marriott Guanacaste Resort & Spa**, is within driving distance to a small town called Tamarindo (about a 20 minute drive from the resort) and tourist attractions such as Arenal Volcano National Park (80 miles northwest of San Jose) and Monteverde Cloud Forest Reserve (110 miles north of San Jose).

Located on Mansita Beach in Hacienda Pinilla, the **JW Marriott Guanacaste Resort & Spa is on the northwest coast of Costa Rica in the province of Guanacaste**. With five beaches, a championship golf course, an equestrian center, world-class spa and more, your experience will be unforgettable.

During conference breaks, you can also venture out of the resort and experience various activities such as **horseback riding, fishing, national park tours, river floating, canoeing, snorkeling, ATV tours, scuba diving, or a zip line canopy excursion through the rain forest**.

Costa Rica is truly a paradise for those who are in search of a combination of beauty, history, culture, and both land and water sports. Costa Rica's exotic setting, combined with our conference, **21<sup>st</sup> Annual Fall Conference on Emergency Medicine & Acute Care**, make this an opportunity you won't want to miss.

**For our complete calendar of conferences, please visit [www.symposiamedicus.org](http://www.symposiamedicus.org). Brochures are available approximately 8 months prior to each conference.**
