CONFERENCE DESCRIPTION

Our **22nd Annual Summer Conference on Pediatrics** is designed to provide physicians, nurse practitioners, PAs, nurses, and other healthcare professionals involved in the care of children with up-to-date and evidence-based clinical data in pediatrics. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

Smaller group sessions will be held Friday afternoon. These breakout sessions are organized to provide **greater participant/faculty interaction**, and will give you an opportunity to participate in discussions on subjects relating to your particular area of interest. **Please indicate your breakout session topic choices on the conference registration form in this brochure.** Space is limited so please reserve early.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **22nd Annual Summer Conference on Pediatrics** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Jackson Hole.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Recognize and manage celiac disease in children
- Discuss the risk factors for status asthmaticus
- Identify and assess the efficacy of common intervention strategies for children with Autistic Spectrum Disorders
- Recognize hip injury patterns in young athletes
- Distinguish type 1 from type 2 diabetes in children

CONFERENCE LOCATION

Located in the northwestern corner of Wyoming, just an hour south of **Yellowstone National Park**, Jackson Hole is a beautiful alpine valley surrounded by majestic mountains, high mountain lakes, and breathtaking scenery. Within the valley lies **Grand Teton National Park**, the National Elk Refuge, and the friendly town of Jackson.

Set in the shadow of the towering **Grand Teton Mountains**, Jackson Hole is a unique blend of Western charm and cosmopolitan atmosphere. There are numerous art galleries displaying the works of a large number of well-known artists, easily browsed before a dining experience in one of the many excellent restaurants. For a more casual outing, the town of Jackson is host to an **abundance of local breweries, distilleries, and even a winery.**

The **Snow King Resort** is conveniently located to take advantage of this natural playground. The spacious condos are fully furnished in an elegant western style, with rustic log and stone finishes. Guest rooms offer spectacular views of the town of Jackson, Snow King Mountain, or the Grand Teton Mountain Range. At the resort, enjoy the Cowboy Coaster, winding down 2,500 feet through the Alpine Forest, or ride the Scenic Chair Lift to the top of Snow King Mountain for an unmatched view of the Tetons and Jackson Hole.

The outdoor adventurer can **hike the trails of Grand Teton National Park or see Yellowstone National Park and its incredible geothermal pools and geysers.** With beautiful natural scenery, Jackson Hole provides a bucket list experience for any outdoor enthusiast or nature lover.

Whatever your pleasure, you'll be sure to find it in Jackson Hole, at our **22nd Annual Summer Conference on Pediatrics.**

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available approximately 8 months prior to each conference.
