CONFERENCE DESCRIPTION

Our **38th Annual Fall Conference on Obstetrics** has been designed for physicians, certified nurse midwives, nurse practitioners, PAs, nurses, and other healthcare professionals who face ever-increasing challenges in the clinical diagnoses, treatment options, and new technologies involved in caring for the female patient. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

Smaller group sessions will be held Friday afternoon. These breakout sessions are organized to provide **greater participant/faculty interaction**, and will give you an opportunity to participate in discussions on subjects relating to your particular area of interest. **Please indicate your breakout session topic choices on the conference registration form in this brochure.** Space is limited so please reserve early.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **38th Annual Fall Conference on Obstetrics** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Grand Cayman.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Differentiate between signs and symptoms of maternal compromise and normal physiologic changes in pregnancy during the postpartum period analysis
- Identify elements of acuity scoring tools in obstetrical triage
- Manage a pregnant patient with cardiac disease
- Describe Cervical Length Education and Review (CLEAR) criteria for accurate cervical length measurement
- State recommendations and resources for umbilical cord blood banking

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. CONFERENCE LOCATION

Beautiful **Grand Cayman Island** is the largest of the three Cayman Islands. Whether you are looking for complete relaxation, exquisite dining, exciting nightlife, or awesome underwater sights featuring accessible reefs, there is something for everyone. On the west side of Grand Cayman, you will find the famous **Seven Mile Beach**, the crescent-shaped natural wonder, with white sand and azure water stretching as far as the eye can see. **Seven Mile Beach is often rated as one of the most beautiful beaches in the world.** Take a trip into the North Sound and visit Stingray City, where you and your family have the rare opportunity to swim and learn about Southern Stingrays. When you're looking to get off the beach, get lost in the luxury of George Town, with colorful traditional Caribbean-style buildings and endless duty-free shopping.

The newly-renovated Westin Grand Cayman Seven Mile Beach Resort & Spa is in the premiere location for fun and relaxation. The resort has easy access to Grand Cayman's best attractions, including scuba diving, shopping, snorkeling, and golf. Spend time at the oversized outdoor pool or enjoy luxurious private cabanas on the beach. Family and children's activities are sure to keep you busy, or visit the rejuvenating **Hibiscus Spa**. With world-class treatments, you will leave more refreshed than you ever imagined.

Whatever your pleasure, you'll be sure to find it on Grand Cayman, at our **38th Annual Fall Conference on Obstetrics.**

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available approximately 8 months prior to each conference.
