CONFERENCE DESCRIPTION

Our **31st Annual Fall Conference on Hot Topics in Primary Care** has been designed to provide physicians, nurse practitioners, PAs and nurses with up-to-date and evidence-based clinical data in primary care. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

Smaller group sessions will be held Friday afternoon. These breakout sessions are organized to provide greater participant/faculty interaction, and will give you an opportunity to participate in discussions on subjects relating to your particular area of interest. Please indicate your breakout session topic choices on the conference registration form in this brochure. Space is limited so please reserve early.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **31st Annual Fall Conference on Hot Topics in Primary Care** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of the Bahamas.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Perform an evidence-based assessment of patients presenting with the symptoms of depression
- Determine which patients require regular follow-up with the dermatologist
- Recognize the role of ECG and biomarkers in diagnosing and identifying risks of different types of heart attacks
- List two herbs or supplements that can alter drug metabolism through the cytochrome P450 system
- Identify new modalities of treatment for erectile dysfunction

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the case studies test, surveys, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

CONFERENCE LOCATION

Paradise Island, Bahamas, is located in one of the most beautiful areas in the world, blessed with enchanting beaches and a tropical climate.

The Atlantis Resort features Aquaventure, a 141-acre water park, including the iconic Mayan Temple's Leap of Faith slide, 11 incredible pools, five miles of magnificent beaches, a Tom Weiskopf-designed 18-hole, oceanfront golf course, the Atlantis Casino, and the world's largest open-air marine habitat!

The resort, located on a white sand beach, also features a **lagoon for snorkeling, fitness center, and tennis courts**. You can workout at the fitness center and then enjoy the **saunas, massage treatment rooms, and steam baths in the Mandara Spa**. Younger resort guests (ages 3-12) are invited to choose their own adventure within themed spaces designed specifically for their Atlantis imagination at **AKA Kids Club** and teens (ages 13-17) can gather and hang out in their own 14,000 sq. ft. nightclub and internet lounge, **CRUSH**. The resort has **several superb restaurants**, lounges and entertainment venues, and a large shopping area with **several specialty shops**.

During conference breaks, you are sure to enjoy the outdoor activities of **swimming with the dolphins, snorkeling, sailing, golfing, or taking an exhilarating helicopter ride over the pristine blue waters of the Caribbean**. Venture out of the resort and experience **duty-free shopping, local art, live music, and festivals**.

Whatever your pleasure, you'll be sure to find it in the Bahamas, at our **31st Annual Fall Conference on Hot Topics in Primary Care**.

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available approximately 8 months prior to each conference.
